PRESENTATION SECONDARY SCHOOL, WEXFORD

- We are a Catholic School
- Under the trustee of:

CORE VALUES OF CEIST

Promoting Spiritual and Human Development

We believe a knowledge of and a personal relationship with Jesus Christ give meaning and purpose to our lives.

Achieving Quality in Teaching and Learning

We are committed to excellence and to continually improving the quality of teaching and learning.

Showing Respect for Every Person

We respect the unique and intrinsic value of every person.

Creating Community

Our schools are faith communities of welcome and hospitality where Gospel values are lived and where there is special care for those most in need.

Being Just and Responsible

We seek to act justly and responsibly in all our relationships.

NANO NAGLE

- The school supports the Religious and Educational Philosophy of its Founder, Nano Nagle.
- Religious Education takes a central place in the life and curriculum of the school.
- At our school we pride ourselves on the strong relationships that exist between our enthusiastic students, supportive parents/guardians along with the professionalism and dedication of our staff to ensure a holistic education for all our students.
- We encourage our students to actively participate in all areas of school life to help them achieve their full potential.
- In doing so we strive to create a caring and supportive environment where all students are known, valued and respected.

- We have a proud tradition of academic excellence, in addition students participate in a wide variety of extracurricular activities provided by a generous and committed staff who give up their time on a voluntary basis.
- I fully encourage your daughter to get involved, whether it be through sports, music, drama, creative writing or debating, it creates a holistic person.
- As Principal here in Presentation Secondary School, my door is always open to staff, parents and students and I'm looking forward to working with all members of our school community in a challenging and positive environment, always upholding the values on which we were founded.
- In 2000, Nano Nagle was voted Irish Woman of the Millennium in recognition of her importance as a pioneer of female education in Ireland, we hope that all our students strive to do their best in life.

- As your daughter enters our school here in September 2018.
- She will be following a very long line of young girls just like her over the past 200 years.
- In October 2018, we celebrate 200 years of education and service by the Presentation community in Wexford.
- Firstly, a Primary school.
- Then in 1940 a second-level school was established and in the following years the school became a fully recognized Secondary school.

Transition to Secondary School

“IT'S LIKE STARTING IN A JOB FOR THE FIRST TIME, YOU ARE NERVOUS. YOU DON'T KNOW WHAT WAY YOU ARE GOING TO REACT OR HOW OTHER PEOPLE ARE GOING TO REACT AROUND YOU”.

And remind them.....that they are not the only one starting secondary school!!!

6TH CLASS WORRIES AND FEARS

- They say there are many things they are looking forward to, topping the list here is getting a locker, as well as having some concerns around starting a new school (for some, the worry of not getting a locker!!).
- Their main worries however are the following:
- The size of the school and getting lost; as well as now being the youngest in the school
- The different subjects and the amount of homework they will have in each of them as well as the dreaded Friday homework
- Understanding their timetable and the rules of the school
- Studying and exams
- In addition to these practical concerns, the children also worry about social issues such as friendships, social groupings and bullying.
- Not being with friends.

WHAT STUDENTS SAID BY EASTER OF 1ST YEAR

- “I worried I won’t have any friends in my class.”
- “I worried my old friends will act differently.”
- “I worried because everybody else will be bigger.”
- “I worried I will be crushed.”
- “I worried about being organised.”
- “I worried about being late for class.”
- “I worried about not knowing where to go.”
- “I worried about teachers being too strict.”
- “I worried about the content of the new subjects.”
- We are here to help in any way possible

MISSION STATEMENT

*The School is committed to
the pursuit of excellence in
a caring environment*

*The school has a long history of and reputation for helping students to
reach the top of their potential and indeed we are very proud of the
very many past pupils who are very successful contributors and leaders
in their field of expertise.*

CREATING THE RIGHT ENVIRONMENT

Partnership

- *School*
- *Student*
- *Home*
- *Wider Community*

- *We want our school to be the best school in which to learn, to play, and to grow*
- *Academic excellence and achievement is high on the school's agenda*

ACADEMIC COUNCIL

- We encourage and support all students to strive to achieve their personal best. Achieving one's personal best does not happen by chance – it requires commitment, focus, determination and hard work.
- We congratulate and acknowledge the ongoing successes and outstanding achievements of many of our students both past and present. However some students may lose focus at times and as a result do not reach their full potential. This can result in students having regrets later in their academic career.
- The main aim of this Council is to further encourage and promote the academic success of all students by supporting students, parents and teachers in monitoring student achievement.
- Academic Tracking and Change in Level procedures

OUR STANDARDS

- Happy students and staff
- Caring and supportive towards each other
- Support
- High quality learning
- High personal standards
- Christian ethos
- Respect and manners
- Care and support
- High quality teaching
- High standards of behaviour

Teacher Engagement

"We are thrilled with how our staff have taken to VSware" explained Deirdre. "The staff love that they can enter results from home. VSware provides the staff with important information around attendance, behavior and results. This empowers teachers to make informed decisions backed up by data and helps with early intervention.

Parental Engagement

"Empowering all stakeholders in our school community forms part of our schools ethos" said Deirdre. "Every parent has access to their child's attendance, results and behaviour through VSware's parent portal. Parents and teachers now have the data at their fingertips to having meaningful discussions at parent teacher meetings, and there's no surprises."

INDUCTION PROGRAMME FOR FIRST YEAR STUDENTS.

- In Presentation Secondary School we are committed to the welfare of all the students in our care.
- In particular, we are committed to ensuring that each student gets the best possible start in their new school and that the transition is as easy as possible for them.

THE CLASS TUTOR

- Each class has a Class Tutor - a teacher who will meet them each morning for the assembly period for 8 minutes.
- This constant contact means that new students have a person in the school with whom they have contact each day and to whom they can talk if there is any problem with which they need help.

THE YEAR HEAD

- Each year group has a Year Head Teacher who has overall responsibility for the year group.
- They deal with pastoral and behaviour issues in the year and have a great deal of contact with the students.
- We also have an attendance officer with special responsibility for attendance.
- If there is any difficulty with attendance or a student requires a prolonged absence from school - the attendance officer should be informed by note.

THE MEITHEAL MENTOR SCHEME

- We have a student mentoring programme in Presentation Wexford where three students from sixth year meet with new first year students in small groups, at lunchtime, once a week for the first months of the year.
- It is an excellent opportunity for first year students to get to know some of the older students and to ask for their advice on issues.
- The small group structure of the meetings allows students to get to know other first years in a structured environment.

STUDENTS' COUNCIL.

- There is an active Student Council in the school. Each year elects two representatives who represent the students of that year group.
- These two reps are members of the student council in the school.
- The job of the council is to represent the views of the students to school management and to assist in the running of the school.
- Each year the council takes on a series of projects and initiatives in which students get involved.
- This year the council is involved in the Health promotion campaign.

LOCKERS

- Each student will receive a locker in the school. Lockers will be allocated at the start of the academic year. We recommend that students leave any valuables they have in the locker.
- You will be aware, from the Behaviour Code, that mobile phones must be switched off on arrival at school.
- Students should also use the lockers as much as possible for their books as this cuts down on the considerable weight of the bags.
- Students should get into the habit of going to lockers at break times to gather the books for the classes in the next session as students are not allowed to go to lockers between classes.

CODE OF BEHAVIOUR

- *Good discipline in the school is required to create an atmosphere where each student feels secure and is taught to accept responsibility for her actions.*
- *In co-operation with parents the school is committed to working to build a sense of pride in the school and to foster respect for the whole school community.*
- *Expectation + Sanctions = CODE*
- *Code is signed by student and parent(s)*
- *Detention – Lunchtime/ Evening Time*
- *In School and Out of School Suspensions*
